*Wired for Survival, Built for Transformation:
The Science of Brain-Body Trauma Healing*

**6.0 CEUs offered for: LCPC/LPC,
LCSW/MSW, LMFT, Psychologists, &
IAODAPCA/CADC**

Join us for the 4th Annual Trauma Symposium from Endeavor Health Linden Oaks Hospital: **Wired for Survival, Built for Transformation: The Science of Brain-Body Trauma Healing**. The event will be held on Friday, Oct. 16th, 2026, from 9 a.m. to 4:15 p.m. at the **Edward Hospital Education Center**, 720 Brom Court, Naperville, IL 60540.

Experience a day of learning focused on the science of brain-body trauma healing, featuring cutting-edge research and practical clinical applications.

Attendees will engage in interactive Q&A sessions, panel discussions, hands-on workshops, and networking opportunities, leaving inspired and equipped with science-driven, evidence-based brain-body strategies to foster healing, growth, and transformation in themselves and those they serve.

Symposium agenda highlights:

- Brain-body trauma science
- Evidence-based clinical interventions
- Trauma myths vs. research
- Emerging innovations in healing
- Interactive Sensory Room
