Six doctors practicing at NCH named to Chicago magazine's list of top disease doctors (<https://www.nch.org/news/six-doctors-practicing-at-nch-named-to-chicago-magazines-list-of-top-disease-doctors/>)

The June/July issue of Chicago magazine published a list of 644 top doctors who specialize in treating the six deadliest diseases. Six physicians practicing at Northwest Community Healthcare (NCH) in Arlington Heights were included in the list.

COVID-19 concerns for a cancer patient (<https://www.nch.org/news/covid-19-concerns-for-a-cancer-patient/>)

Second in our series of stories regarding COVID-19 and high-risk patients, we spoke to radiation oncologist Stephen Nigh, M.D. who is Medical Director of Oncology Services at Northwest Community Healthcare (NCH). Dr. Nigh shared information for cancer patients and their loved ones in light of the pandemic.

Precision medicine allows breast cancer patient to skip chemo (<https://www.nch.org/news/precision-medicine-allows-breast-cancer-patient-to-skip-chemo/>)

Some women don't ever expect or think about getting breast cancer. Elaine Florczak's best friend had it, so it was on her radar.
