

Primary Care Grand Rounds

# Menopause & Dysfunctional Uterine Bleeding

Wednesday, May 15, 2024 | 6:30 - 7:30 PM

*Webinar only. Registration required to claim CME credit.*

*Visit the Edward-Elmhurst CME Website to register:*

*<https://edward-elmhurst.cloud-cme.com/default.aspx>*

**All Endeavor providers are welcome!**

*Join our wonderful presenter:*

*Elaine Biester, MD*

Dr. Biester is a board-certified gynecologist who offers complimentary and alternative methods to traditional medicine. Her clinical interests include integrating traditional and holistic treatments, total body wellness and offering non-hormonal therapies for menopausal symptoms.

## Learning Objectives:

*At the conclusion of this activity, participants will be able to:*

- Define and diagnose menopause and perimenopause.
- Compare and contrast the risks and benefits of hormonal and non-hormonal therapies for menopause management.
- Develop individualized management plans for patients with dysfunctional uterine bleeding.

## Educational Credits:

Endeavor Edward-Elmhurst Hospitals are accredited by the Illinois State Medical Society (ISMS) to provide Continuing Medical Education credit to physicians. Edward-Elmhurst Health designates this activity for a maximum of 1.0 AMA PRA Category 1<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity enables the participant to earn up to 1.0 ABIM MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) Program.
