Date(s): First Wednesday of Every Month (January 6 through December 1, 2021)

Time(s): 7:15 – 9:00 AM

Place: Edward Education Center – E200

Registration*: Registration **required** for all CME events.

**Due to requirements of our CME accreditation, credits are not applied to transcripts for unregistered participants or participants that do not complete the required evaluations.*

The Medical Staff Quality Committee (MSQC) provides a multi-disciplinary forum for the development and implementation of department, service, and facility-based peer review policies, procedures, programs and initiatives for the purpose of improving patient care/safety and reducing morbidity and mortality. This is a regularly scheduled series of meetings that reviews and evaluates specific cases related to practitioner practice performance. The MSQC determines the appropriateness of care provided and areas for improvement and analyzes practice patterns and trends in order to make recommendations to promote best practice and facilitate quality improvement initiatives.

Program Objectives: At the conclusion of this live activity, participants should be able to:

1. Analyze selected peer review cases to determine whether appropriate standard of care was provided and/or patient safety opportunities for improvement are identified.
2. Identify process/policy issues in order to develop medical staff or hospital quality improvement initiatives, education gaps, and potential educational opportunities.
3. Review hospital rule indicators/core measures, along with outliers, to identify practice trends and potential process issues.

Edward-Elmhurst Health designates this live activity for a maximum of **1.75 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Edward-Elmhurst Health is accredited by the Illinois State Medical Society to provide continuing medical education for physicians.

As a reminder: Edward-Elmhurst Health is accredited to provide AMA PRA Category 1 Credit™ and tracks only Category 1 credit provided to physicians credentialed within the system. Only physicians are eligible to be awarded AMA PRA Category 1 Credit™. The AMA defines physicians as those individuals who have obtained an MD, DO or equivalent medical degree from another country. No other healthcare providers may be awarded AMA PRA Category 1 Credit™. However, accredited CME providers, such as Edward-Elmhurst Health, may issue documentation of participation to non-physicians that states the activity was certified for AMA PRA Category 1 Credit™. It is the responsibility of the non-physician provider to obtain his/her certificate and track those hours.
