A Joint Morbidity & Mortality (M&M) review in conjunction with the perinatal center, University of Chicago. The educational format will be case presentation with Learner Participation, Group Discussion/Round-table, and Review of Data/Articles/Policies/Research as it relates to the cases presented. This is an opportunity for the hospital's clinicians to improve their knowledge of the perinatal morbidities and mortalities through case-based discussion in order to utilize knowledge for improvement of patient health outcomes.

Program Objectives: At the conclusion of this live activity, participants should be able to:

1. Critically analyze the management of identified case studies.
2. Identify opportunities related to the improvement of the care associated with the identified cases.
3. Analyze fetal heart rate patterns and their implications for the fetal well-being when applicable to identified case studies.

Edward-Elmhurst Health designates this live activity for a maximum of **1.5 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Edward-Elmhurst Health is accredited by the Illinois State Medical Society to provide continuing medical education for physicians.

As a reminder: Edward-Elmhurst Health is accredited to provide AMA PRA Category 1 Credit™ and tracks only Category 1 credit provided to physicians credentialed within the system. Only physicians are eligible to be awarded AMA PRA Category 1 Credit™. The AMA defines physicians as those individuals who have obtained an MD, DO or equivalent medical degree from another country. No other healthcare providers may be awarded AMA PRA Category 1 Credit™. However, accredited CME providers, such as Edward-Elmhurst Health, may issue documentation of participation to non-physicians that states the activity was certified for AMA PRA Category 1 Credit™. It is the responsibility of the non-physician provider to obtain his/her certificate and track those hours.
