

# UPDATES ON ALLERGIES

Thursday, April 18, 2024  
6:30 - 7:30 PM

## Zachary Rubin, MD

Join Dr. Rubin, a double board-certified pediatrician specializing in allergy treatment and immunology at **Oak Brook Allergists**, as he discusses the most recent evidence-based updates on allergies, asthma, and atopic dermatitis.

## Learning Objectives

At the conclusion of this activity, participants will be able to:

- Discuss the latest research and clinical updates in asthma management.
- Review recent advancements in the management of atopic dermatitis.
- Integrate management plans for patients with food allergies and anaphylaxis.

## Registration

This is a LIVE webinar. Please register to receive the WebEx information and earn CME credit.

<https://edward-elmhurst.cloud-cme.com/default.aspx>

In 2019, asthma impacted 262 million people worldwide, causing about 461,000 deaths.

In the United States, food allergies are responsible for roughly 3.4 million emergency department visits each year.

## Educational Credits

Endeavor Edward-Elmhurst Hospitals are accredited by the Illinois State Medical Society (ISMS) to provide Continuing Medical Education credit to physicians. Edward-Elmhurst Health designates this activity for a maximum of 1.0 *AMA PRA Category 1™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity enables the participant to earn up to 1.0 ABIM MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) Program.
